## DEPARTMENT OF NATURAL RESOURCES

### WILDLIFE REHABILITATION LOG RABIES VECTOR SPECIES

Instructions: All custodians authorized to handle RVS are required to maintain, in detail, records for all RVS received. These records must be complete, accurate and up-to-date at any given time and are subject to inspection by the DNR. You may also be required to submit copies of your records on a periodic basis, if directed by the Department. Each animal must be listed separately.
